Section II

An S corporation which has all of its property and payroll within Kentucky does not make the computation in Section II and must enter 100 percent on each shareholder's Schedule K-1 (Form 720S), Item B(2). An S corporation which has property or payroll both within and without Kentucky must compute the percentage of its gross receipts from sales or services

in Kentucky to its gross receipts from sales or services everywhere during the tax year and enter the percentage on each shareholder's Schedule K-1 (Form 720S), Item B(2).

The terms "sales" or "services" mean all gross receipts derived from transactions or activities in the ordinary and regular course of the S corporation's trade or business and which are includible in its gross income. Interest, dividends, royalties and gains or losses on the disposition of property acquired, held, owned or used in the ordinary or regular course of the S corporation's business are gross receipts used to determine the business ratio. Gross receipts of this kind are included in the Kentucky receipts portion (numerator) of the business ratio if the S corporation is domiciled in Kentucky or the source of such income is in Kentucky. If the S corporation is domiciled outside of Kentucky but the source of such income is in Kentucky, the gross receipts are in the numerator of the business ratio. The denominator of the business ratio is the total gross receipts in the ordinary or regular course of the S corporation's trade or business.

Gross receipts, for determining the business ratio, do not include in either the numerator or the denominator interest, dividends, royalties and gains or losses on the disposition of property held for other than trade or business purposes.

NOTE: The receipts reported on Lines 1 and 2 may not be the same as reported by an S corporation on Schedule A.

Withholding

For taxable years ending on or after December 31, 2003, under the provisions of Regulation 103 KAR 18:070, every pass-through entity required to file Form 765, Kentucky Partnership Income Tax Return, or 720S, Kentucky S Corporation Income and License Tax Return, must withhold income tax at the rate of 6 percent on the net distributive share income of each Kentucky nonresident **individual** partner, shareholder, or member. However, for those Kentucky nonresident members whose net distributive share income is less than \$1,000 no withholding is required. The pass-through entity is liable for the payment of the tax required to be withheld less any credits passed through to the individual that are reasonably expected to be claimed in the current tax year.

The reporting of net distributive share income and payment of tax due by the pass-through entity shall satisfy the filing requirement of KRS 141.206 for a Kentucky nonresident individual member (Form 740-NP) whose only Kentucky source income is net distributive share income. The Kentucky nonresident individual member may file a return to take advantage of the graduated tax rates and apply the tax withheld against tax imposed for the taxable year in which the income is reported.

Section II, Line 4—Enter the total nonresident shareholders' net distributive share of taxable income determined from Lines 1 through 25 of the return and any supplemental income and expense items. Enter here and report this amount on Form 740NP-WH, Line 6.

Section II, **Line 5**—Enter the total amount withheld by the S corporation on the net distributive share of the Kentucky nonresident members by multiplying Line 4 of Section II by 6 percent less applicable credits available for the taxable period.

S corporations having Kentucky nonresident shareholders with net distributive share income of \$1,000 or more **shall** complete Form PTE-WH for each individual and mail Copy A with Form 740NP-WH, to the Kentucky Department of Revenue. The S corporation must furnish Copies B and C to the members by the 15th day of the fourth month following the close of the taxable year. Form PTE-WH is available on the Kentucky Department of Revenue's Web site at **www.revenue.ky.gov**.
